

# Ohio Aquaculture Association Annual Meeting and Workshop February 11-12, 2011, Columbus Airport Marriott

## Tentative Agenda

### Friday, Feb. 11

- 12:00 Registration opens—located in hotel lobby
- 1:00 p.m. Bluegill production workshop, hosted by OSU South Centers. Leading researchers from around the country will present the latest on bluegill production and research and facilitate a question and answer session.
- 5:30 p.m. Social Hour/Cash Bar—Network with producers and researchers from 12 states in the north central region.
- 6:30 p.m. OAA Annual Banquet and Keynote Speaker—We are working on getting the Governor, Lieutenant Governor or Director of Agriculture as our keynote speaker.

### Saturday, Feb. 12

- 7:30 a.m. Registration opens—located in hotel lobby
- 8:00 a.m. Trade Show opens/Vendor Introductions
- 8:30 a.m. Feeds and Needs—Learn about the cutting edge technologies being developed to reduce the rising cost of fish feed.
- 9:30 a.m. Break
- 9:45 a.m. Feeds and Needs Workshop continues
- 10:30 a.m. Regulatory Panel Discussion—Representatives from the ODA, Division of Wildlife, Ohio EPA, County Water and Soil, US Water and Soil, and Army Corps of Engineers will answer questions about what is needed to operate an aquaculture business.
- 11:30 a.m. OAA Annual Meeting— Board of Director elections and voting on a proposed bylaw change will take place
- Noon Lunch—Network with NCRAC representatives during lunch
- 1:00 p.m. Water Testing—Learn how to test for important water quality parameters from a leading test equipment manufacturer.
- 2:00 p.m. Farmer Forum—A panel of experienced fish farmers will answer your aquaculture questions.
- 3:00 p.m. Cooking demonstration— An acclaimed food stylist will prepare several Ohio farm raised products using Ohio wines. The best part will be that you will be able to sample all the creations.
- 4:00 p.m. Awarding of door prizes and silent auction winners.
- 4:30 p.m. Depart for home
