# High Tunnel Workshop

Thursday, March 7, 2024  
9 a.m. - 4 p.m.

Hosted by Drs. Gary Gao,  
Logan Minter & Wenjing Guan

Come join us for an informative workshop focused on high tunnel production, with featuring information to benefit commercial growers, beginning farmers, and educators, among others. A lunch and light refreshments throughout the day are included with your registration.

Areas of focus during this event will include:

- Long cane raspberry production in high tunnels
- High tunnel strawberry production
- Innovations in managing temperatures inside high tunnels
- Pest management in high tunnels
- Applying for cost shares for high tunnel and irrigation supplies through EQIP
- Vegetable production and disease management
- Weed management in high tunnels

This event is supported by a North Central SARE grant and a 2023-2025 Ohio Specialty Crop Block Grant.
