Comments from the Editor

Early to mid-September means planting of plasticulture strawberries. We have started planting at the South Centers and our main planting will go in next week. If growers are looking for plug plants, there may be some extra available this year. If you have extra plugs or are looking for some contact Brad Bergefurd, Extension Educator at bergefurd.1@osu.edu or by cell phone at 740-253-0998.

Fruit Observations and Trap Reports Trap reports for Columbus are posted at least once per week on the internet at <http://bugs.osu.edu/welty/tree-traps.html>

North Central Tree Fruit IPM Program
