I wanted to pass on this information we received this morning...

"We wanted to inform our Extension family that Ron Becker (our Ag Program Coordinator) has suffered a stroke. This happened at his home on Monday morning. From there he was taken to the hospital and then taken by life flight to Akron General Hospital where he is still in intensive care. The doctors have told family that they believe Ron will make a good recovery but he has many mountains to climb. Please remember Ron and his family in your prayers. We will keep you all informed as Ron's recovery progresses. If you would like to send a card his home address is: Ron Becker, 7214 North Geyers Chapel Road, Smithville OH 44677

The Wayne County Extension Staff'

I know Ron will appreciate your thoughts and prayers for his family and his recovery. He is a vital part of the Ohio Fruit Team and his scouting work has been a great asset not only to Wayne/Holmes/Medina County growers, but to growers statewide through his reports for the Ohio Fruit ICM News.
