[Wholesale Fruit Prices](#)

Calendar

February 7 - 9, 2001: Ohio Fruit Growers Society Congress, in conjunction with the Ohio Vegetable and Potato Growers Association and Ohio Direct Marketing Association, in Toledo. Wednesday - general sessions, trade show opens, tree fruit marketing & cider sessions. Thursday - breakfast & society business meeting, tree fruit session, trade show, joint tree fruit and roadside marketing session, cider session, general sessions. Friday - tree fruit session, general sessions. More information will follow at a later date.

February 19 to March 4, 2001: New Zealand Fruit Tour, Dr. Peter Hirst, extension fruit specialist in Indiana, will be leading a 14-day tour to New Zealand from Feb. 19 to March 4, 2001. The cost of \$3000 includes all travel, all accommodations, all admissions, and over half of the meals. The only additional costs participants would face would be some meals, trip insurance (optional), and spending money. The strong US dollar and weak New Zealand dollar makes this a great time for you to go -- your dollar will go a long way there. For a brochure and registration form, or if you have any questions, call Peter Hirst at 765-494-1323 or e-mail him at hirst@hort.purdue.edu. So far about 20 people have signed up, but they still have room for a few more. They need your registration form and \$300 deposit by September 20th.
